

## 8 REPLACING THE BATTERIES

### CAUTION

*Only use original GILSON rechargeable batteries (1.2 V AAA NiMH/1000 mAh).*

### Replacement procedure

- Take out the silicone plug (1).
- Open the screw (2).
- Pull out the flexor (3).
- Open the battery cover (4).
- Change the batteries (1.2 V AAA NiMH/1000 mAh).
- **Check the correct polarity of batteries (+/-) before closing the cover.**
